

STOP

DEMOLISHING PROTEST !

ASKER KOMMUNE aims to silence dissent and streamline
CHEMRING NOBELS profit based weapons business

Hellfire missiles with Chemring Nobel's explosives have been
repeatedly used against civilian populations in Gaza

STENER SØRENSEN AG and AKTIV VEIDRIFT (Drammen) are
paving the way for Europe's biggest military explosives factory

The new factory will cover at least 5 sq. km and pollute multiple
groundwater resources directly linked to Oslo fjord.

In case of accident or war, the local population would be
severely affected!

Support the activists in this important cause, speak up against
Asker Kommune and the companies mentioned above
and join the struggle to

BEVAR HURUM !

STOP THE WAR MACHINE !
